Our File No. 1470-281

Dear

This letter is in furtherance of my prior correspondence to you concerning your client, [REDACTED]. You have failed to respond to my prior requests that Mr. [REDACTED] preserve and maintain all written and electronic communications with all persons affiliated with *BuzzFeed*, including all emails, text messages and social media communications. Accordingly, I can only assume that Mr. [REDACTED] intends to destroy or delete evidence of his communications with *BuzzFeed*. As stated by my prior correspondence, such conduct by Mr. [REDACTED] would violate California law.

In addition, we are informed that Mr. [REDACTED] met with *BuzzFeed* reporter, Jane Bradley, last week in Florida. We have likewise demanded that *BuzzFeed* maintain and retain all communications between Jane Bradley and Katie Baker of *BuzzFeed* with Mr. [REDACTED] including any recording of the communications that Ms. Bradley may have made with Mr. [REDACTED] during their meeting last week.

I trust that you will advise your client accordingly.

All rights, claims and remedies on behalf of our client are reserved.

Very truly yours,
